

Name of the project: colon cancer awareness

Local committee:Duhok_LC

Standing committee :scoph

Location : New Zaxo , Duhok

Date: 8th /march /2018

Time: 9:30 am

Aim: To increase the awareness for one of the most common cancers (colon cancer) that affect each family at some stages.

Plan of action : since march is colon cancer's month we planned to share some leaflets for public in a marathon held by zaxo british school to support cancer pateints , and with the presence of one of the doctors specialized in oncology with us in the event , we taked to people about colon cancer and the ways of prevention and the symptoms related to it.
