

-Name of the project: Teddy Bear Hospital part 2

Local committee:Duhok_LC

Standing committee :scoph

Location : Da Vinci school

Date: 10 / April /2018

Time: 12.30 Am

Aim: To lessen the fear of children from medical staff and equipment

Plan of action : We let the children put on masks and headcaps as well as lab coats to play the role of a doctor. We let them use the stethoscope and syringes (without needles) to become more comfortable with the equipment. They did a medical check up for they toys and classmates. We also gave them balloons and sweets.
