

Name of the project: Teddy bear hospital

Local committee: Duhok\_LC

Standing committee :SCOPH

Location : British school , Zaxo

Date: 1st /march /2018

Time: 1:00pm-5:00pm

Aim: To make the children more familiar with medicine and lessen their fear of medical staff and equipment.

Plan of action : 4 parts: 1st part we let the children use plastic models of doctor's equipment and play the role of a doctor or treating and diagnosing their teddy bear. 2nd, we let them use the real stethoscope to hear each other's and our heartbeat. 3rd, some fun time by singing educational songs and dancing along. 4th, we taught them how to bandage a simple injury using a plaster and how to call 122 for help in case of an emergency. We also distributed gifts and candies to all the children .
