

9- Name Of The Project: Vitamin D deficiency

Local Committee: Duhok-LC

Standing Committee: SCOPH

Location: Zakho University

Date: 2nd May, 2018

Time: 10.00am

The Aim Is to aware students about Vitamin D deficiency that may affect each one.

Plan of action: First of all we talked with students about vitamin D deficiency and how to protect and prevent themselves from the disease. And the over dosage risks and how to have it naturally without increasing the risks of skin cancer so we gave the right type of sunscreens that do not cause vitamin D deficiency . Also we gave them leaflets containing all these information's

We also distribute discounted vitamin D test provided by our sponsor

We also did other activities .
