

NAME OF THE PROJECT: World Diabetes Day

Local committee: Duhok-LC

Standing committee: SCOPH

First part :

Location:Shex mema village

Date/Time:18th November / 11:00am - 2:00pm

Second part:

Location : Duhok mall

Date/Time: 18th of November / 4:00pm-9:00pm

Description: we did blood tests to measure sugar levels in blood. we also took their height and weight to measure their Body mass index (BMI) and we took blood pressure.

Aim : To raise the awareness about diabetes signs & symptoms,& educate people how to prevent themselves by knowing the risks, since diabetes is one of common diseases in our community.
