

Name of Project: Self-defense techniques

Standing committee: SCOME and SCORP

Date of Project: 12/4/2018

Place: Duhok/avro city

Project description: These days, doctors are victims of gunshots. They are stabbed during work, and they pass through many other difficult situations. It is important that you know something about self-defense techniques and how to take a gun/ knife from someone who is trying to attack you.

Project Leader:

Mehran Newroz Tahir

Assistant:

Haval Awni Muhammed
