

NAME OF THE PROJECT: Medical support for refugees

LOCAL COMMITTEE: Duhok-LC

STANDING COMMITTEE: SCORP

LOCATION: Zawita Camp

DATE: 9th February

TIME: 10:00 am \_\_ to 1:00 pm

The AIM :

A group of Medical tests (Blood sugar, Blood pressure, BMI, and eye examination) were done for refugees in Zawite camp with all the participants raising awareness of all the conditions related to the mentioned tests above. All of this was to know the health and nutritional status of the refugees there for further evaluation of the results we got. At the end, gifts were distributed to the families with a small box of first aids.
